

## **Off-Leash Dogs (8 comments)**

---

*Totally disagree with unleashed dogs, unsupervised a lot of the time in Winn Park & the Dell. Unleashed dogs belong inside a fenced area similar to Piedmont Pk period.*

*Winn Park is a gem. The highlight is dog owners who gather and bring vibrant and welcoming community to Ansley Park. The off-leash dog concerns are over-emphasized in APCA communication.*

*Too many dogs off leash in Winn Park ( I am a dog owner)*
