

Safety (105 Comments)

My biggest concern is making sure that our security team is financed and can continue to support our neighborhood.

more security. safety is our biggest concern right now.

I love that we have security and would list safety as my second biggest concern.

Please increase security

Maintaining a safe environment

Security

Crime - I know we're in good shape compared to the rest of the city / midtown, but it's hard not to worry about it

No amount of zoning regulations will preserve this neighborhood unless we address crime and traffic.

The sporadic violent crime.

Crime.. I've never before been afraid to walk our streets after dark, but between the Midtown shootings and hold-ups

Residents perceive an increase in crime and noise, which I'm concerned may cause people to move to the suburbs.

crime has been escalating to unprecedented level

crime, suspicious people always walking around, outsiders littering and being rude and disrespectful, if the cops won't do something someone else one of these days will.

uptick in crime

Rise in local crime

Increased Crime.

increased crime in surrounding areas.

Crime in and around the neighborhood.

crime - it's not a big concern but it is growing

Increase in crime from surrounding area.

crime needs to be monitored given our location in Atlanta.

Crime is always an issue

Random crime has increased and I do not feel safe walking our dog mid-evening.

crime coming to perimeters

Automobile racing, speeding, and the noise pollution caused by it.

Street racing

Street racers, exploding crime. Broken car glass from vehicle break-ins are now a new normal. Neighbors moving out due to the crime. We are considering moving after 30 years. It's sad.

Street racing on Peachtree & Piedmont.

Peachtree and Piedmont have become runways for street racers. We live on the edge of Ansley facing Piedmont, and I hear them at all time of day and night.

street racing, scooters (fall hazard), do not feel safe walking in the neighborhood after sunset

racing on Piedmont

Crime and Traffic are the most important issue. Specifically, speeding in the neighborhood
