---

*Inadequate amount of traffic speed calming*

*the neighborhood seems like a target, I would like a gated community if the cut thru traffic doesn't improve driving fast on our streets*

*I would love to see more than 1/5 people actually stop at the circle stop signs- even when they are aware I see them they still persist to blow through the circle intersections if they even yield at all in the first place*

*The speeding on Montgomery Ferry and Polo drive*

*Speed of traffic on the Prado!*

*Speeding traffic*

*cars tearing down Beverly Road in the middle of the night, it's unnerving.*

*Keeping out speeding traffic*

*vehicle speed in Ansley.*

*Speeding cars.*

*Suggest we have some way to photo license plates of speeders and send them a speeding ticket. Funds could fund our beautification projects!*

*Car and Truck traffic not obeying stop signs, speed limits and pedestrian crossing area.*

*Need for more permit parking More crosswalks and traffic signage for safety*

*Speed of cars going thru neighborhood. More turn around or speed bumps.*

*We need Traffic Calming Medians and Landscaping on The Prado, Peachtree Circle and 15th Street.*

*The thru traffic*

*Seems like there is so much traffic and noise*

*Cut-thru, rush-hour traffic. Foot traffic and unauthorized parking for public events at Piedmont Park*

*Traffic, mostly the cut-through but also fast-driving residents.*

*the blocking of our wide entrance on 15th from Peachtree by Jones Day is deplorable*

*Tall buildings being built adjacent to Ansley and potential increase of traffic on public roads as well as shared drive ways.*

*cut through cars speeding in the neighborhood*

*Golf club members who don't live in the neighborhood are a nuisance. They treat our neighborhood like a race course.*

*Traffic and parking are a real problem. Any festival means I have garbage in my yard and my driveway blocked*

*Through traffic and the golf club members speeding in our neighborhood*

*cut-through traffics and parking*

*speed on Beverly*

*speed at which traffic comes down Beverly and size of trucks that keep wrecking the infrastructure.*

*speed of traffic is too high and we need to do more to slow it down; we also need safer ways to cross Piedmont (which needs to have speed limit reduction and enforcement)*

*traffic speed*

*Speeding Cut Through Traffic*

*Cut through traffic, speeding*

*traffic. the impact on contraction on traffic and parking*

*Increased traffic*

*Traffic cutting through the neighborhood, noise, speeding cars*

*The traffic circles have been a wonderful improvement to the neighborhood.*

*ability to manage noise/traffic/crime the Beltline traffic could bring to the neighborhood.*

*Traffic - speed on streets*

*Traffic getting faster*

*Traffic, Speeding especially on the main roads has become significantly worse during the pandemic both the number of speeders and the speed. Sometimes 50- 60mph.*

*Speed on roads, condition of Beverly Road*

*too many cars, too much traffic*

*Speeding vehicles*

*Traffic/speeding*

*commuter traffic/speeding; non-resident parking*

*the traffic concerns that come with urbanization*

*We haven't completed the traffic calming plan.  
scooters*

*The Colony Square renovations and the impact on 15th street - increased congestion has made the  
15th/Peachtree Circle area incredibly unsafe. -People speeding down 15th when there are multiple driveways*

*large trucks destroying our new roundabouts*

*crowds*
